2. How to choose or order the product?

2.1 You can choose the product with its categories on the left column of the website or you can type any keyword you would like to search on “Search box” for example: Zinc Hex bolt or 10.9 cap screw

* Currently, our system is unable to search from product code and must input search term in English only.

The screenshot shows the NEJIRED.com website interface. At the top, there is a navigation bar with links for 'No Neji, No Life!', 'Blog', 'Sign In', 'Register', and social media icons. A search bar at the top right contains the text 'Zinc Hex Bolt'. Below the search bar, there is a message: 'Over 100,000 SKUs available, You can order from 1 piece!!' and a link 'SEND US ENQUIRY'.

The main content area displays a product category for 'Zinc Hex Bolt'. On the left, there is a sidebar with a 'Categories' section containing links for various bolt types: Hex Bolt, Anchor Bolt, Bolt Others, Socket Screw, Machine Screw, Assembled Screw, and Tapping Screw. There are also links for 'Class 4.8', 'Class 8.8', 'Class 10.9 / 12.9', 'SUS304 / 316L / 310S', 'Aluminum / Titan / Others', '7 Mark', and '8 Mark'. Below this sidebar is a button labeled 'ALL CATEGORIES'.

In the center, there is a large image of two zinc hex bolts. To the right of the image is a promotional banner for 'HANSHIN NEJI' security fasteners, featuring text in Thai and English: 'J? ห่วงตอกกันบ่โนยค้ออะไหล่ (Anti-Tamper Proof หรือ Security Fasteners)'. Below the banner are several smaller images of different bolt types, each with a corresponding icon below it.

On the right side of the page, there is a red 'Contact Us' button and a 'Customer Support' section with an email address 'nejireo@hanshin-neji.com' and a phone number '038-348-290 #101'.

At the bottom of the page, there is a footer with links for 'Home', 'Search results for: Zinc Hex Bolt', and a 'CLEAR ALL' button. The footer also includes the NEJIRED.com logo, social media links, and a 'SEND US ENQUIRY' button.

2.2 You can choose products' specification that you would like to select by clicking at Material, Plating, Diameter, or Length. Then system will automatically sorting related product for you.

The screenshot shows a search interface for bolts. At the top, there's a breadcrumb navigation: Home > Bolt > Hex Bolt > Class 10.9 / 12.9. Below the breadcrumb is a search bar with placeholder text "What are you looking for...". To the right of the search bar is a "SEARCH" button with a magnifying glass icon. On the left, there's a sidebar titled "Categories" listing various bolt types: Hex Bolt, Anchor Bolt, Bolt Others, Socket Screw, Machine Screw, Assembled Screw, Tapping Screw, Tamper Proof Screw, Self-Drilling Screw, and Hand Tightening Screw. Each category has a plus sign icon next to it. In the center, under "Specification/Dimensions", there are four dropdown menus: "Material" set to SCM435, "Plating" set to Zinc Cr3 White, "Diameter" set to 16, and "Length" set to 30. Below these dropdowns, a message says "Result : 3 items". A "CLEAR ALL" button is located to the right. The main area displays three product cards for "ZINC CR3 10.9 HEX BOLT (FULL/HALF THREAD)" with different thread types. Each card shows a small image of the bolt and its dimensions. At the bottom right of the page is a red circular icon with a white question mark.

2.3 When you chose the product, you can “Add to cart” for check out or “Add to quote” for request for quotation.

The screenshot shows a detailed product page for a specific bolt model. At the top, there's a "Spec Information" section with a "BASIC INFORMATION" tab. Below it are two tables: one for "Material (Info)" showing "SCM435 or Equivalent" and another for "Thread Type" showing "FULL THREAD/HALF THREAD". Under "Standard" it lists "JISB1180" and under "Surface Treatment" it lists "WHITE ZN CR3". Below this is a "Specification/Dimensions" section with dropdown menus for "Material" (set to SCM435), "Plating" (set to Zinc Cr3 White), "Diameter" (set to 16), and "Length" (set to 30). A "CLEAR ALL" button is to the right. The main product table shows one item: "10B3K16030" with the name "ZINC CR3 10.9 HEX BOLT 16X30". The table includes columns for Part Number, Name, Material, Plating, Diameter, Length, Volume Price, Day to Ship, and Qty. The "Add to Cart" button is highlighted with a red box and arrow, and below it is an "ADD TO QUOTE" button. At the bottom, there are navigation buttons for "PREV", "NEXT", and "Show 20". A red arrow points from the "Add to Cart" button to the "ADD TO QUOTE" button, indicating they are related actions.
